

Hurricanes Soccer Academy

Coaches Jacob and Shanna Blanchard

The purpose of our academy is to continue development of soccer players in a positive and fun environment during the downtime between Fall and Spring AYSO seasons. We will have one day of practice and one day of games each week. The Summer Session will begin on Saturday, June 2nd with our first evaluation games. We will have evaluation practices during the week of June 4th-6th. Regular season games will be held on Saturdays. Evaluation practices and games are not tryouts and the kids will not be under any pressure. We run evaluations so that we can place the kids in challenge groups and balance the teams to the best of our ability for the benefit of all academy players.

Registration is open to all and there will be no tryouts or cuts. Each player will be afforded equal playtime and instruction. We aim to have all kids play the entire game on game day and guarantee 75% playing time. We accept players ages 4-12 years of age. However, only 24 players for each group will be admitted on a first come first serve basis to ensure each player receives more individual instruction. We did reach full capacity during the Winter Session so please get your registrations in early. There will be a discounted rate for registrations received by Saturday, June 2, 2018. Early registrations make it easier for us to stay organized. Thank you.

The playing format for game day will be as follows. All games will be on Saturdays between the hours of 8 AM and 4PM. Once assigned a group, your game time will be the same each Saturday. Age groupings are only guidelines when placing kids in a group and some variation may occur if it is best for the competitiveness and balance of the Academy groupings.

The Hurricanes Soccer Academy is coached by Jacob and Shanna Blanchard. Shanna played professionally and Jacob in college, and both hold National level coaching licenses through USSF and NSCAA. They have coached over 15 years in nationally recognized youth clubs including Arsenal FC and the Honolulu Bulls. Now being Claremont residents with children in soccer, they are bringing their talents and passion for soccer to the Claremont community.

We also have Janay McKinney, Jacqui Campuzano, Ellen McDonough, Paul Boubion, Benjamin Boubion, and other qualified coaches now working for the Academy.

We run practices Monday - Thursday. We will do our best to accommodate your schedule if you have conflicts. However, we can best serve the needs of the players if we are allowed to place them in their appropriate groupings. Practice times are between 4,5, or 6 o'clock start times.
